

| Day | 09:00 | 09:30 | 10:00 | 10:30 | 11:00 | 11:30 | 12:00 | 12:30 | 13:00 | 13:30 | 14:00 | 14:30 | 15:00 | 15:30 | 16:00 | 16:30 | 17:00 | 17:30 | evening |
|---------|--|--|---|-------|---|---|--|-------|---|---|---|-------|-------|--|--|--|----------------------------------|-------|--|
| Tue 18 | Opportunity for sub-meetings for those arriving earlier | | | | | | S0 | lunch | S1 | | | | break | *Intro ducti on to break- outs | S2 | | | | *Meeting for facilitators & rapporteurs of modelling break-outs *Agree how to report back |
| | | | | | | | *Arrival *Registrati on | | *Welcome *Official welcome to ICRISAT *Introducti ons *Objectives *Timetable | *Each project to present overview (10') & summary of whole systems modelling approach (10') -CHANSE -SusHi-Wat -UPSCAPE | | | | | *Discuss: modelling approaches, models, challenges, commonalities, differences, comparability, opportunities *Opportunity to rotate around different groups (for group, not facilitators & rapporteurs) [NOT SCENARIOS] | | | | |
| Wed 19 | S3 | | | break | S3 cont | | *Optional tour of ICRISAT *Opportunity for sub-meetings | | | | S4 | | | break | S4 cont | S5 | workshop dinner at ICRISAT | | |
| | *Review of Day 1 *Reporting back from modelling break-outs (10' each) *Identificati on of top 3 modelling challenges | *Each project to present summary of approach to scenario setting (10') -CHANSE -SusHi-Wat -UPSCAPE *Introducti on to scenario break-outs | *Scenario break-out groups: (i) Climate change (RCPs, GCMs/RCMs, ensembles) (ii) Socio-economic (population, behaviour, land use) (iii) Framing future scenarios e.g. SSP framework - how much internal consistency (in underlying assumptions, if not in scenarios themselves) *Discuss: scenarios, time horizons, approaches, challenges *Opportunity to rotate around different groups [NOT MODELLING] | | *Reporting back from scenario break-outs (10' each) *Identificati on of top 3 scenario challenges | *Further discussion of scenario break-outs if required *Introduction to afternoon break-outs | | | | | *Break-out groups: Implications of insights into systemic change for influencing & making decisions: (i) Optimal ways to engage stakeholders of different capacities/sectors/States (ii) Stakeholder needs at different spatial & temporal scales (iii) Optimal ways to convey information to stakeholders & influence decision-making *Opportunity to rotate around different groups | | | | *Reporting back from break-outs (10' each) *Discussion *Identificati on of top 3 impact challenges | *Meeting for output statement working group *Planning for concluding session | | | |
| Thur 20 | S6 | | | break | S6 cont | | S7 | | Opportunity for sub-meetings for those departing later | | | | | | | | | | |
| | *Review of Day 2 *Introducti on to concluding session | *Concluding session to inform output statement from workshop *Synthesis of comparabilities & differences of different systems & approaches for modelling,scenarios, impact pathways | | | *Reporting back from break-outs (10' each) *Discussion | *Consolidation of output statement from workshop *Internal actions *Close | | | | | | | | | | | | | |
